Dear Parent / Guardian of student(s) attending Sleepy Eye Elementary,

The federal No Child Left Behind (NCLB) Act requires that all schools in the nation make Adequate Yearly Progress (AYP) toward achieving the goal of all students being proficient in reading and math. As you may be aware, Sleepy Eye Elementary has been designated as a school in need of improvement due to not making AYP for 4 years.

Did our students meet the proficiency targets set by the State in reading and math?

The following table provides the MCAII, attendance and graduation results for all groups of students:

Student Group	Math Yes or No	Reading Yes or No	Attendance Yes or No	Graduation Rate Yes or No
All students	yes	yes	yes	-
American Indian	-	-	-	-
Asian	-	-	-	-
Black	-	-	-	-
ELL	yes	-	-	-
Free/Reduced Lunch	yes	no	yes	-
Hispanic	yes	no	yes	-
Special Education	yes	yes	-	-
White	yes	yes	yes	-

We are working together with the district to ensure that all students receive the best education possible. The staff at Sleepy Eye Elementary has already planned to make improvements in:

- *Implementing research-based strategies that support our curriculum*
- *Offering additional math and reading after school help*
- *Providing additional staff training in reading and/or math*
- *Offering parents' activities and resources to support their child's education*

What does this mean for your child?

Parental Option : Transfer to Another Public School:

Since there is no other public elementary school in the district we offer additional supplemental math and reading help for identified students.
