M Casey Coulson 2nd Brian Nelson M/C

Approve financial transactions and reports M Casey Coulson 2nd Jeremy Domeier M/C

Reports

Board: BCPH cases are down but they link that to restaurants and bars going for take-out and less sporting events, flu season is starting and we are at 34% vaccination rates she is hoping to get to 45%

Principal: 2nd round of non-tenured teachers, and kept attending meetings, hybrid learning models

Superintendent: Covid Update: Elementary: 2 in isolation, 24 quarantine; HS: 1 in isolation, 14 in quarantine Staying the course with in-person elementary and hybrid HS learning model. SEPS awarded \$20,000 grant by Mary Ann Christensen and her family. Thank You for your generous donation!! Funds will be used for teacher appreciation, student incentives, social/emotional learning and transition activity supplies, creating learning and relaxation areas in the high school, STEM/CTE CNC laser engraver, and kitchen equipment upgrades. Football Coop update: The joint committee is in the process of creating a blue print for a successful coop, meeting went very well.

Presentations: Casey took over here as we lost Darla (got to love technology)

World Best Work Force Presentation: Samantha Schmit, Kevin Schneider MCA tests did not take place so much of the data is not in there. Thank you for putting this together especially this year but we appreciate all your hard work on this.

High School Hybrid follow up presentation: Mr. Laffen discussion had taken place and he got some data together I guess that it seems that what we are currently doing is what we should keep doing. Mr. Laffen thinks that the teachers are doing a great job with what was presented to them in this current model. Would probably like to see more time connecting with students and teachers. Will see what happens with this extra prep time.

Truth and taxation by Amanda Boomgarden (6:00PM promptly)
