Reports

Board: BCPH Negotiations met 2 times and have tentative agreements that went well

Principal: Interviews today for the Social position. Attending the Riverbend meeting just went over programming and the alternative learning along with extended programs. Met with the Student Body reps Brooke Arneson and Jackson Huiras are talking about the upcoming school year. Spent \$5000 to spruce up the library.

Superintendent: Negotiation Update: We have a tentative agreement in place with MSEA and SEEA. He appreciated both groups coming and understanding our situation. Good on both sides and it was greatly appreciated. Enrollment numbers as of 8/11/21: elementary: 288, HS: 237: total 525; would like to maintain 520. Will convince other parents to send their students here as other schools have done. Teacher workshop info: handout. Kevin Honeycutt is our back to school keynote presenter Wednesday, August 18, 2021 8:00-9:30 AM

Presentation: Kurk Kramer, John C.: Regional CTE Center exploration (Orchid Inn): Cooperation between SE EDA, Sleepy Eye Public School, area businesses, South Central College; Using regional EDA grant to finance the project. Kurk did not show up. Career and Technical needs such as nursing and electricians similar to what CRCC was in the past, teaching students careers that are used here. Involving South Central College to get these students trained. We cannot fund it but would be more than willing to participate.
