Vol. 33

Winter/Spring 2022
ISD #84 Sleepy Eye, MN

Ring in the New...Normal!

Welcome to the New Year and the resuming of our classes and events! Our community is blessed to have so many opportunities for our youth. ECFE is a place that welcomes any and all families with children birth through age five. Please take the time to look through our newsletter to see the numerous opportunities we have to offer your family.

The early years go by so quickly and there are so many teachable/learning opportunities during these years. These years can be very fun and enjoyable, but they can also be a struggle. Parenting isn't always easy, and everyone has challenges or feelings of failure with their children. We hope to help families connect with other families and learn together how to best handle the challenges and joys of raising a child, keeping in mind how to best handle situations in ways that are developmentally appropriate. By joining the ECFE family, you will build connections with other parents who are in the midst of raising children of similar age and stage of life.

Please consider joining our ECFE classes or come enjoy some of our special events that we are offering throughout the year. I look forward to seeing many of you in a few short weeks!!

See you at ECFE activities!

What is ECFE?

- Early Childhood Family Education provides families with the opportunity to strengthen and grow together in an inviting atmosphere with the support of other parents and specialized staff.
- Early Childhood Family Education is where moms, dads, grandparents, and young children discover new things by spending time together and apart.
- Parents and children attend classes one time per week. Classes range from 1–1 ½ hours in length. Classes are held at the public school. All families are welcome.
- During the first years of a child's life, major development takes place that will impact the rest of their lives. Early Childhood Family Education parents are given credit for being the first and most important teachers of their child.
- We are funded by a combination of state aids, local levy, and participation fees. No one will be denied participation due to the inability to pay. Accommodations are made for people with disabilities.

Winter Class Offerings

A child's age as of September 1 is used to determine which class to enroll in. We suggest that parents not consider moving their child ahead if s/he has a fall birthday. The teachers take into consideration children's developmental levels when planning activities for each class. When a child is placed ahead, consider that the child will eventually have to repeat an ECFE class before reaching Kindergarten.

A minimum of six children per class is needed to offer a class or age groups will need to be combined. Classes have been approved by the Brown County Family Services Center Training Credit for family day care and foster care providers. Payment for classes should be mailed with registration form, paid the first night of class, or dropped off at the Community Education office located in room 109 in the Sleepy Eye High School. Please register early so teachers have time to prepare for classes.

Snow Much Fun

Felt Snowman

By taking some white, black, and orange felt you can create a snowman over and over again! Cut white felt in 3 different sized circles, cut an orange triangle for the nose, and small black circles for the eyes, mouth, and buttons. Add other felt pieces as desired.

Winter Slime

Mix ½ cup water and ½ cup glue together. Add glitter/confetti/color into glue (you decide what to add!). Stir in ½ tsp baking soda. Mix in 1 tbsp. saline solution and stir until sticking together, then knead.

Play Outdoors Together

Whether they want to build a snowman, go sledding, make a snow angel, or have a snowball fight, play outside together. You can make a snow fort, go tubing, skiing, or maybe just enjoy throwing snow in the air and watching it float back down to the ground!

Dolly Parton Imagination Library

Parents of children are invited to register their child for the Dolly Parton Imagination Library. The program provides one book every month to your child from the time you enroll until they turn five for *FREE*. The program is managed by the United Way of the Brown County Area. Sign up at www.unitedwaybrowncountyarea.org

1000 Books Before Kindergarten

This program is sponsored by the Brown County Early Childhood Initiative. The goal of this program is to promote reading and encourage children to have 1000 books read to them by the time they enter kindergarten.

To enroll in this program you can register at ECFE classes or events. Once enrolled, children will receive a log to track the books being read to them. If you read a book twice, mark it down twice. After each 100 books read, children will receive a small prize or sticker. Special incentives will be awarded to children when they complete 300, 500, 700 or 1000 books.

Dyckman Free Library

Story Time continues every Thursday at the Dyckman Free Library on West Main Street at 10 a.m. During the school year, it is geared for preschoolers. Stop by and check out the selection of children's books and obtain a library card for your children and yourself.

Early Childhood Screening

It is state law that every child entering kindergarten in a public school have completed a developmental screening. A child can go through screening in the Head Start Program, at Public Health Nursing Services, or come to an Early Childhood Screening. The ECFE program works with county agencies and offers early childhood screening when a child is three to four years of age. We hold screenings once in the fall and once in the spring.

Spring Early Childhood Screening is scheduled for Thursday, February 10, beginning at 8:30 a.m. Call ECFE @ 794-7873 to make an appointment.

What to Expect:

Children will participate in an evaluation of speech, language, and fine and gross motor skills. Social and emotional development, hearing, vision, and height/weight measurement will also be assessed. Parents will meet with a school nurse as well as family facilitator to complete the screening process. The entire screening typically takes one hour to complete.

Why children should be screened:

The screening identifies needs that may require special attention before a child enters school.

Screening takes place:

Basement of Trinity Lutheran Church, located off Hwy. 4 on the south end of Sleepy Eye.

Brown County Help Me Grow Committee

Not all children do the same things at the same ages. If you are concerned about the development of a child less than seven years of age, living in Brown County, call (507) 359-8700 or 1-800-605-4431. The purpose of **Help Me Grow** is to develop coordination between agencies to encourage early identification and services for young children with special needs.

What you can do to help ECFE

Thank you to all the families who have been so generous and have helped our program by donating items listed on our giving tree. The giving tree is located on the inside of the ECFE classroom door. Feel free to take a reminder from the tree and bring the item in for the class to use. We really appreciate the donations!

Other ways to help our ECFE program:

- Casey's Donut & Pizza Cards
- Loaves for Learning
- Scrip Gift Cards
- Scholastic Book Orders

Go online, choose the books you want and pay by credit card. You need to use this ordering code PBFNQ to access the website. In return, we get free books to add to the ECFE classroom or give to the children!

You could also consider making a tax-deductible contribution as well. These contributions would support the ECFE program and assist with scholarships that the program offers to families for participation fees.

You pay the exact amount for the gift cards you want, and each business gives back a percentage of the amount. We will be accepting orders by February 1 and April 1, and the cards will be delivered within two weeks. An order form will be placed on our ECFE website page, so you can print it off and send to school with your child or bring to ECFE classes.
